

Theme

Sharing Our Planet

Central Idea:

Humans have impacts on the ecosystems.

Tuning in

Picture Priorities (visual learners)

Rocket Writing

Class Discussion

Lie down on the roof and listen
to the sounds of the nature.(kinesthetic
learners)

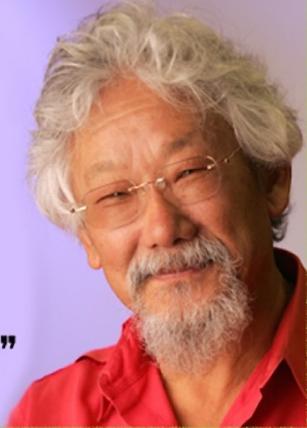

Finding out

Watch Home (bbc documentary)
Answer questions and fill in the gaps.
Getting familiar with
David Suzuki
& his daughter

**ollution and climate
change caused by
cessive burning of
ossil fuels are real
threats, not the
people who warn
that we must take
e threats seriously.”**

David Suzuki
